## Chairman's Report

The Church of England's report on church buildings has been much in the news since its publication in the autumn of 2015. The report is the work of the Church Buildings Review Group, chaired by the Bishop of Worcester, and has highlighted many of the issues facing church buildings across the country. These are very much reflected in places of worship supported locally by the Worcestershire and Dudley Historic Churches Trust. Some three quarters of our historic church buildings are listed, and indeed the Church of England alone is responsible for almost half of the grade I listed buildings in England. More than half of church buildings in the country are located in rural areas with under 20% of the population. However, the Trust is also acutely aware of the number of historic church buildings in urban areas, including those of other denominations, which are often in need of extensive repair and support. There will be further debate and discussion on the Review Group's report during 2016, but it is important to note the growing public interest in the future of church buildings. The Worcestershire and Dudley Historic Churches Trust will be closely monitoring progress and looking to improve outcomes for church buildings as a result of this review.

Further acknowledgement of the significance of churches as heritage buildings also came in 2015 with what turned out to be the first of two rounds of grants, offered by the Government to listed church buildings for the repair of roofs and rainwater disposal systems. The Worcestershire and Dudley Historic Churches Trust has been able to contribute towards shortfalls on some of these projects, and will support applicants in the second round of early 2016. The Trust is also very pleased to note the continuation by the Government of the Listed Places of Worship Grant Scheme for reimbursement of VAT at least until 2020.

Although funding by the Worcestershire and Dudley Historic Trust remains limited, another eight grants to places of worship for repairs and improvements have been authorised during the year totalling £12,500. Details appear later in the report. This Trust received a further generous grant from the R.D. Turner Trust which, together with grants from the Ratcliffe Foundation and Rodway Trust, continue to enhance the assistance this Trust can offer to places of worship. We should like to record our grateful thanks to the trustees of these organisations for their continued support of our work. Our links to the National Churches Trust continue to be strengthened by participation with other county trusts in the Churches Trusts Forum, and we hope local places of worship will be able to benefit from the National Churches Trust's Partnership Grant Scheme in 2016.

As ever, I should like to record my thanks to the trustees and officers for all their hard work and support during the year. Michael Thomas stepped down as trustee during the autumn and we have particularly benefitted from his great expertise in reviewing grant applications. Our grateful thanks are also due for the enormous amount of hard work undertaken by our Secretary, John Davies, and our Treasurer, Jean Crabbe. These roles are vital to the successful running of the Trust, and so it is with great sadness that we have accepted the resignation of Jean as Treasurer following long and invaluable service to the Trust. Jean will be greatly missed by us all and the search is now underway for a new treasurer. We would therefore much welcome expressions of interest from anyone with experience of being a treasurer who might be able to assist the Trust. I would like to record our thanks to Jacci Hunt as Committee Secretary for her valuable hard work during the year. We also welcomed new trustee, Michael Howard, to our meeting in August. Michael has recently retired after many years of service with Worcestershire County Council, and his wealth of management experience is already of great benefit to the Trust.

'Ride & Stride' on 12th September proved very successful with to date a total income to the Trust for 2015 of almost £14, 000, representing an increase of some £2,000 on the 2014 total. Some 50 groups or individual places of worship raised funds this year for the Trust. They are too many to list here, but the significant contributions from Pershore Abbey, St James' Bishampton, Alvechurch Baptist Church and St James' Wollaston

deserve special mention. Participating documentation for 'Ride and Stride' was this year placed online at our website as the result of much hard work by trustee Annette Leech, assisted by Gil Barlow, and we are extremely grateful to them for updating and managing this information. Once again we hope that as many people as possible will support the event on 10<sup>th</sup> September 2016 by travelling around churches on bicycle, foot, public transport or horseback, as well as by sponsoring participants or arranging for places of worship to be open on the day. Annette and Gil have indicated that now details of 'Ride and Stride' are available online, 2016 will be the last year that they will administer the event. We are therefore now looking for someone to take this on for the Trust, and would welcome expressions of interest.

Haydn Rhodes and Jan Gill arranged the very successful car tours to the Lower Teme Valley area in June and the Himbleton area in July. They too have now resigned from this role and finish with our most grateful thanks. Our new trustee Michael Howard has kindly agreed to arrange this year's tours which will be around Evesham and Bewdley. Details of these tours appear at the back of this report. Although our planned visit by coach to Rugby unfortunately had to be cancelled as it coincided with the General Election, we were delighted to be invited to a special Evensong in October by the Dean and Chapter of Worcester Cathedral. The beautiful service in the choir of the Cathedral was followed by a reception at the Guesten for the Trust, its supporters and guests. Annette Leech arranged an excellent demonstration of the website, and our thanks go to her for this, and indeed for much of the organisation of this very successful occasion. An evening reception event at Spetchley in partnership with the Churches Conservation Trust is currently being planned for May 2016.

Our excellent website continues to be developed and managed by Annette Leech, and is the main channel of communication for the Trust. Details of our events and particularly how to participate in Ride and Stride are here, along with information on grants and how to apply for them. Annette continues to be assisted by Gil Barlow in adding photographs and details of the historic places of worship to the site, including information on opening arrangements at many churches. This wonderful resource is now largely complete for Worcestershire and the current focus is on the Dudley area. Please visit the website at [www.worcestershireanddudleyhistoricchurches.org.uk](http://www.worcestershireanddudleyhistoricchurches.org.uk) and enjoy exploring.

As ever, I would like to conclude by encouraging all who are interested in the churches, chapels and meeting houses of the Worcestershire and Dudley area to consider becoming a Friend, making a bequest to the Trust, and encouraging others to do the same. Please support 'Ride and Stride' in September and visit our website for further details of the Trust and its events. If you are able to support the Trust by using the form at the back of this report or via our website, you will be helping the Trust to undertake valuable work in preserving and providing a sustainable future for these greatly loved historic buildings.

Our thanks for any help you are able to give to the Trust in 2016.

### **St James, Hartlebury**

This important church received a grant from the Trust of £2,500 during 2015 towards major building repair projects. St James stands in the centre of the village and close to Hartlebury Castle, former residence of the Bishops of Worcester. It is a striking red sandstone building, and behind the west tower built for Bishop Sandys in 1567 there is a large aisled nave erected to designs by Thomas Rickman in 1837, with striking Decorated style windows and galleries supported by cast iron piers. Rickman had previously rebuilt much of the medieval chancel and side chapels, which still contain a 13<sup>th</sup> century arcade. The font of 1882 contains part of a Norman bowl, the earliest artefact in the church. The fine nave pews by J.A. Chatwin of 1908 are carved with the arms of the various Bishops of Worcester, whilst the woodwork of the Bishop's Throne dates to 1925 by the Bromsgrove Guild. The church also contains a number of memorial tablets to Bishops of Worcester, several of whom are buried in the churchyard.

## **Worcestershire & Dudley Historic Churches Trust Church Car Tours 2015**

Friends and guests enjoyed two car tours in 2015. The first on Sunday 21 June visited Cotheridge St Leonard, Broadwas St Mary Magdalene, Alfrick St Mary Magdalene and Leigh St Edburga. The second tour on Sunday 26 July visited Crowle St John the Baptist, Himbleton St Mary Magdalene, Huddington St James and Grafton Flyford St John the Baptist.

We are grateful to Jan Gill and Haydn Rhodes for organising these tours and to the last visited churches on both occasions for providing teas for the participants.

**Michael Howard**

### **Ride and Stride**

'Ride and Stride 2015' was held on September 12th, and thanks to the provision of our online documentation as a result of much hard work by Annette Leech and Gilbert Barlow, a total of well over £12,000 has been raised so far. This year's event will be held on Saturday 10th September and we warmly welcome participation from supporters who get sponsorship for riding or walking to visit the many churches, chapels and meeting houses across Worcestershire and Dudley which we hope will be open to welcome them

**Rick Warner took part on behalf of Shrawley and Great Witley churches. Here is his account:**

'I had a great time, blew off a few physical cobwebs, visited some interesting churches (which I'll try to visit again) and met some very nice welcomers! Hopefully I should have raised a few coppers from the folks in Shrawley and Witley. (Photos to be published on Trust Website). I drove in from Machynlleth in the morning, did a couple of churches by car, then parked in Worcester ready to cycle out in the Pershore direction.

Here is my sequence of churches:

St Lawrence, Lindridge>>St James, Pensax>>St David's Worcester>>Worcester Cathedral>>St Swithun's Worcester>>St Andrew's Worcester>>St George's RC Worcester>>St George's CofE, Barbourne>>St Martins, London Road>>St Philip & St James Whittington>>St Nicholas Peopleton>>St Nicholas Pinvin>>St Anne's Wyre Piddle>>Pershore Abbey>>St Michael Crophorne>>St John the Evangelist Charlton>>St John the Baptist Fladbury>>St Thomas Lower Moor>>St John in Bedwardine Worcester>>St Stephen's Barbourne, but late in day! 17.30

Here are my Oscars!

Nicest church to spend time in (subjective I know): St Philip & St James, Whittington - cool, peaceful, very friendly welcome. I'd really recommend. Ancient Yew in churchyard. Toilets!! Planning a meeting room/extension - Great!!

Best coffee: see above! St Philip & St James, Whittington

Friendliest welcome: St John the Evangelist, Charlton - greeted by ladies decorating church for next day's Harvest Festival and Cream Tea Festival. A really warm welcome, wish I could have stayed longer.

Most interesting 'heritage': St Nicholas, Pinvin: extraordinary wall paintings. The church in the field.

Best refreshments: St Thomas, Lower Moor: cup cakes!

Easily missed but worth visiting?: St Martin's on the London Road.

Thanks to all of the hosts! I'd really like to repeat next year!' **Rick**

Barclays Bank plc  
Droitwich Spa  
(Cycle Ride Account)

**Registered Charity No. 1035156**

### **Constitution:**

Trust Deed dated 21 October 1993, as amended by a Deed of Variation dated 23 November 2005.

### **Objects:**

1. The preservation, repair, maintenance, improvement, upkeep or beautification of any Christian church within either the Church of England Diocese of Worcester or the County of Worcester;
2. The education of the public in the history and architecture of churches.

### **Trustees:**

New Trustees are appointed by the serving Trustees. The total number of Trustees shall not exceed eleven. There is a sub-Committee for the running of the Cycle Ride that has one member who is not a Trustee. There is also a Sub-Committee for the arrangements of events. Decisions are made by the Trustees at their quarterly meetings. Administration is carried out between meetings by the Secretary in accordance with guidelines agreed from time to time. The Trust is affiliated with the National Churches Trust (Registered Charity Number: 1119845).

### **Policy:**

The Trust has no permanent endowment and distributes the income. Apart from reimbursement of some expenses, no payments are made to Trustees.

## **GRANT APPLICATIONS**

All requests for grants must be made through our Secretary who, providing the project meets our criteria, will forward an application form for completion. A considerable amount of information is requested both in relation to the scope and specification of the project, and the profile and financial position of the parish. Applications are considered at the quarterly Trustee meetings when provisional grants are agreed and then confirmation of the grant is subsequently given following a satisfactory visit to the church by a Trustee.

The grant reservation is normally held for a maximum period of twelve months and payment will only be made following receipt of an architect's interim certificate or an appropriate invoice.

During the year the Trust approved provisional grants to 3 churches, totalling £5,500. We paid out £12,500 to 8 churches. A further 8 grants remain to be paid totalling £11,750.00
