The Story of the Piano - a talk and concert with Andrew Crabtree

We welcome back Andrew to Cradley after his visit in 2018. Andrew will play pieces of music on the piano interwoven with a talk on how the piano came about and was developed into the instrument we know today.

All organ concerts have live video projection on big screen.

All concerts are followed by refreshments.

Admission FREE with retiring collection in aid of the restoration and installation of the clock dial from St Luke's, Cradley Heath
